The Statement has been prepared by the Company pursuant to Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations, 2015"), which has been initialed by us for identification purposes. The Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
- 2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. - 5. We were neither engaged to review, nor have we reviewed the financial results for the corresponding period for the quarter ended June 30, 2021, and accordingly, we do not express any conclusion on the financial results for the quarter ended June 30, 2021. Notes pertaining to the standalone financial results (continued):

- 2. The above standalone financial results for the quarter ended June 30, 2022 have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on August 3, 2022. The statutory auditors of the Company have carried out limited review of the results for the quarter ended June 30, 2022.
- 3. The standalone financial results have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2015, prescribed under section 133 of the Companies Act, 2013 (the Act) read with relevant rules issued thereunder and the accounting principles generally accepted in India.
- 4. The Company, in earlier years, had entered into a Composite Supply Contract and Land & Site Development Contract ("Project Contracts") with a Vendor for supply, erection, and commissioning of 300.30 MW wind power project ("Project") consisting of 143 Wind Turbine Generators (WTGs). As per the aforesaid agreement, the Vendor had to perform all necessary activities and obligations for completion and successful commissioning of the project.

However, the Vendor failed to deliver on various material contractual obligations inter-alia relating to execution of sale deed of various land parcels in favour of the Company, obtaining requisite approvals, clearances and licenses as required for the Project and failed to commission the Project as envisaged under the Project Contracts. Further, the Vendor defaulted in making payment to many of its sub-contractors related to the Project which led to disruption at the Project site, resulting in loss of power generation.

During the previous year, the Company, in interest of Project, avoidance of any penalties, mitigation of loss of power generation and to ensure that the Project is properly operated and maintained, terminated the Project Contracts and operation and maintenance (O&M) agreement with the Vendor. Further, the Company also encashed bank guarantees (BGs) amounting to Rs. 2,927.90 million against loss incurred due to non-performance of contractual obligations under the Project Contracts by the Vendor. The encashment of BGs has been challenged by the Vendor in Hon'ble Delhi High Court (HC). The HC disposed of the Vendor's petition challenging the BGs encasement by the Company and ordered for constitution of an arbitral tribunal, which thereafter has been constituted.

Also, the encashed BGs amounting to Rs. 2,927.90 million was accounted as "other current liabilities" and funds were put in bank deposits. The Company has incurred various costs in respect of the project and has offset the same against vendor payables/capex accrual based on the legal opinion. The payment to other vendors amount to Rs. 775.54 million till period end (March 31, 2022: Rs. 708.04 million) for completion of the pending activities related to the Project.

Considering the terms of the Project Contracts and other relevant facts of the matter, the Management believes that the above matter is not expected to have any material adverse effect on its financial results.

5. As part of reorganization of Sembcorp Group's renewable power sector portfolio in India, the Board of Directors of Sembcorp Green Infra Limited ("SGIL" or "Transferor Company") and the Board of Directors of Green Infra Wind Energy Limited ("the Company" or "Transferee Company"), have in their respective board meetings held on November 29, 2021 approved the proposal for the amalgamation of SGIL with the Company subject to all necessary statutory/regulatory approvals.

Proposed Scheme seeks to amalgamate and consolidate the business of SGIL and the Company which would be in the best interests of the shareholders, creditors, employees and other stakeholders and will result in increased operational efficiencies. The proposed Scheme will ensure optimal utilisation of resources due to pooling of management, administrative and technical skills of various resources of each of the Transferor and Transferee Company.

As approval of the proposed Scheme is pending with National Company Law Tribunal, no effect of the scheme has been currently given in these financial results.

6. The Company has assessed the impact of Covid-19 on the financial information, business operations, liquidity position and cash flow and has concluded no material adjustments are required in respect of the carrying amount of assets and liabilities as at June 30, 2022. The Company will continue to closely monitor the situation arising on account of Covid-19 pandemic considering both internal and external factors.
